

DV Boys Tennis 2023 2/11/2023 Initial Booster Meeting

2/11 @ 10:49am: All Parents were in attendance for this meeting. (approximately 25 in all)

Intro & Team Expectations—Coach

- Coaches introduced themselves and went through the athlete/parent contract.
- All contracts were collected and signed by parent and athlete.

Why a Booster – part of the Thunderboard 501c3: explained and introduced by Karen Meinerz (Coaches Wife)

- We found that this team has never had a booster club or booster support. All the parents agreed and were on board with setting this up to support the success of the athletes as they prepare for the season of competition.

Parent Packet Review: Karen M explained the following.

- Cover Sheet: details outlining what the booster funds would cover along with gathering other information for the parents and athletes.
- Food Plan: Allowed the parents to pay for this option to provide food for their athlete during away games only.
- Calendars: shared and provided a copy of the AIA schedule of tournaments and the month of February calendar.
- Tax Credits: Explained to parents how tax credits worked and how these funds also help the student athletes and pays for coaches.
